Data Sheet

EX-40

CNC Roller Feed for Wire

Technische Daten:

Speed	Up to 100[min-1] (depending on the feed length)
Wire diameter	0,1 to 3mm
Weight	approx 10kg
Price without drive	Price on request

Performance Features of EX-40:

- Compact, modular design
- Flexible mounting options
- Scalable system design
- Manual ventilation
- Gentle, interchangeable wire guide
- Function pulling / pushing

Options:

- Servo motor from various manufacturers (Standard: Beckhoff)
- Possible as standalone solution with own control for retrofitting existing systems
- Special mounting kits for integration into existing systems
- Special feed rollers (e.g., hard chrome plated or coated)
- Interchangeable rollers and guides for different wire diameters
- Intermediate ventilation with servo drive or pneumatic
